About the Herndon High School Vocal Jazz Ensemble

The Herndon High School Vocal Jazz Ensemble has been an integral part of the Herndon High School Choir Department for the past seven years. Under the direction of Jazz Clinician Jim Van Slyke, and Herndon High School Choral Director Dana Van Slyke, this group has traditionally featured 18 to 24 students. Most of these jazz singers are featured in at least one of the other five choirs in the choral program. The Vocal Jazz program at Herndon stresses Vocal Jazz stylization within the context of healthy vocal technique and a knowledge of high-quality Vocal Jazz repertoire for this age group.

This dedicated group rehearses every other morning before school from 6:25 to 7:15. They have consistently earned superior ratings at festival each year since the group began, and they have won Best Overall Jazz Choir at every festival they have traveled to in the Spring semesters. Some of those include Fiesta-Val at Myrtle Beach and New York, as well as Festival Disney Orlando. In 2005, the group won the best specialty choir of the season for the Festival Disney Program.

Dana Van Slyke

Herndon High School Choral Director

Dana Van Slyke has served as choral director at Herndon High School since 1995, and as chair of the Fine and Performing Arts Department for the past ten years. During her time at Herndon High School, she has conducted the Concert Choir, Herndon Chorale, Heatwave and Soundwave show choirs, Madrigals, the Men's Choir, and the Vocal Jazz ensemble. She is the musical director for the school's annual musicals and revues.

Under her direction, the Herndon choirs have received much recognition for their excellence in performance. The Herndon Madrigals have performed at the White House six times in the past ten years. In 2003, they were featured at the Virginia Music Educators Association Conference.

Ms. Van Slyke received the Commendation of Excellence as a Fairfax County Teacher of the Year Nominee in 2004. She has received multiple Presidential Citations from the Governor's School for Visual and Performing Arts and is a member of the National Society of High School Scholars. She is a graduate of Ithaca College with a degree in music education and vocal performance. She also holds a Master's Degree in Music Education from Shenandoah Conservatory.

Jim Van Slyke

Vocal Jazz Clinician

Jim Van Slyke is currently clinician for the Herndon and Westfield high schools Vocal Jazz ensembles. He has served extensively as an adjudicator, clinician, guest conductor, and guest speaker. A nationally recognized vocal coach, Jim has taught on the voice faculties of Ithaca College and Catholic University, and he has active studios in both the New York City and Washington, D.C., metropolitan areas. Student credits include Broadway, off-Broadway, national tours, the Metropolitan Opera, and even the Radio City Rockettes.

As a solo artist, Jim has sung on stages throughout the United States and Europe and has received critical acclaim for his New York cabaret performances. In 2006, Jim signed with the prestigious LML Music record label and released his debut album, *Open Road*. The album earned a Grammy nomination for best pop vocal album, and Jim received an ASCAP songwriters award for his self-penned title track.

Jim is a graduate of Ithaca College with a degree in vocal performance. He also holds a master's degree in vocal pedagogy/performance from Catholic University.
