HERNDON CHORAL BOOSTERS

The Herndon Choral Boosters is the HHS choir parent organization established in 2005. All choir parents are members of this organization and are invited to support the Herndon High School Choirs. Tonight we would like to invite all choir families to support the HHS Choir Scholarship by attending the Fundraising dinner on Wednesday, October 26th at 6 pm at the Herndon United Methodist Church. The cost for a delicious dinner is \$5 a person and \$15 per family. We also send our thanks to the parent volunteers who helped to make tonight's concert a success. We couldn't do it without you!

We also want to acknowledge those who have already made a financial contribution to the Choral Boosters. Your financial support pays for many aspects of the choir program, including accompanists, programs, sets and equipment, guest clinicians, and much more. We appreciate your support of our *Stinger Singers*. We invite all parents to actively participate in the HHS Choral Booster organization. Whatever your talents and interests, your help will be welcome and your service will directly benefit the HHS Choir students. If you are interested in making a financial contribution, please make your check payable to HHS Choral Boosters and have your student give the donation to Ms. Van Slyke. We hope you will join us however you can in supporting our excellent choir program at Herndon High School. If you have any questions, please contact Boosters President Julie Frederickson at president@herndonchoir.com.

Booster meetings are held in the Choir Classroom beginning at 7:00 p.m. All parents are invited and encouraged to attend. In 2011, meetings will be held November 17 and December 19. In 2012, meetings will be held January 16, February 20, March 19, April 16, May 21, and June 18.

The Fairfax County Public Schools Music Program of Studies requires the performance of literature that is both sacred and secular. Balance of music selected and performed from among historical and contemporary composers, genres, and periods is achieved through the course of a year's instruction and not within any individual concert.
