The Fairfax County Public Schools Music Program of Studies requires the performance of literature that is both sacred and secular. Balance of music selected and performed from among historical and contemporary composers, genres, and periods is arrived at through the course of a year's instruction and not within any individual concert.

PARENTS: THE HERNDON CHORAL BOOSTERS WELCOME YOU!

Congratulations for enrolling your student in the choir of one of the Herndon Pyramid schools. Our Herndon High School program offers your student opportunities to: sing in one or more of our seven choruses; perform in our annual musical and Broadway revue; audition for district and state honors choruses; and make friends and have fun!

We invite all parents to join us in supporting our excellent Choir program. Visit our website – www.HerndonChoir.com – to view the list of committees and activities we coordinate throughout the school year. Whether you join us this year, next year, or a few years from now, and whatever your talents, your help will be needed and very welcome.

Several committee positions will be open next year. We hope you will consider taking on one of these positions next year. If you would like more information, contact current Boosters President Julie Frederickson at president@herndonchoir.com. *Thank you!*
